To everything there is a season, and a time to every purpose under the heaven:

A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted;

A time to kill, and a time to heal; a time to break down, and a time to build up;

A time to weep, and a time to laugh; a time to mourn, and a time to dance;

A time to get, and a time to lose; a time to keep, and a time to cast away;

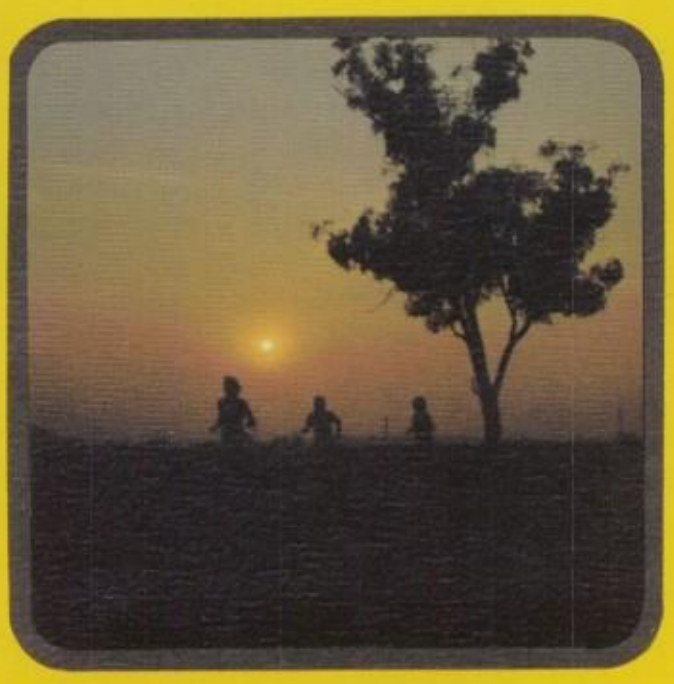
ACTIVITIES



The Fabulous

"Gun Shy" Provided the music for this year's "fifties" dance on October 12. The dance this year was sponsored by two clubs here on campus: WOW and Boy's Forum. It was held in Fohi's cafeteria. At 8:00 the cats started to "shake, rattle and roll" to some of the cool hits of the "fifties" such as "Johnny Be Good." The dress for the night was really "insville," with boys in their button-down shirts, Levi jackets, and slicked back hair and the gals in their brushed-up pony tails and bobby socks.

Each year Fohi is proud to take part in the American Heritage of Black Awareness Week, which honors the great contributions of Black American's in the shaping of our nation. "Finian's Rainbow"

Leprechauns, a pot of gold, apples falling from the sky, a white man turned black, were just a few of the stories told in "Finians Rainbow."

According to Finian McLonergan's theory of economics, if any man buries a bit of gold near or in the vicinity of Fort Knox, it will grow and he will become a millionaire. That is the reason Finian and Sharon left Ireland, after Finian stole the crock of gold from the leprechauns. The crock was special for you could make three wishes on it. The wishes twice made by accident caused many terrible situations to take place.

Lori Humbert and Armando Duran, Hey Dad, is this Rainbow Valley?

Winter Sports Activities

"Precious and Few" was the romantic theme of this year's 1975 Winter Sports Homecoming Dance. Couples joined together in the Fohi cafeteria at 8:00 p.m. on February 22 to share some beautiful hours together. The dance was in traditional colors of red and pink, while music by "Cool Water" from Claremont, Calif., softly rocked the night away.

Pictures were taken by Alfred and Fabris.

Highlights of the evening were the crowning of the queen and the naming of her court. This year the lovely Miss Debbie Frye was crowned "74-75" Winter Sports Queen by last year's reigning queen Debbie Miller. Senior princesses: Angie Cherpin and Dana Gee. Junior princess; Mari Bakas. Sophomore princess; Lisa Blind.

Godspell

God is love. God is "Godspell." "Godspell" is joy. "Godspell" focuesed on the teachings of Jesus, and also tells of the philosophies of man prior to Christ and those that loved him.

The students of Fohi were glad to welcome the band accompanying "Godspell," "Friends and Relations." Open your heart and mind to all that is required of you in "Godspell." Brad and Sherry came to Fohi to show the way of God through songs and stories from "Godspell." Some of the songs that were sung: Day by Day, God Save the People, Bless the Lord, and By my Side.

The streaming colors of red, pink, and white, and low lights seem to put everyone in a romantic mood. And the feeling for love.

The highlight of the evening was the crowning of the Prom Queen and her court.

This year Kathy Bowser was crowned 1975 Prom Queen by Marilyn Allen, last year's Prom Queen. Her court was Gena Baca, Tammy Raney, Nancy Miller, and Sherri Higbee.

CLASSES

Class of 1975

The year 1975 marks a very important milestone in the lives of Fohi's graduating seniors. Twelve of the best years of our lives have passed by, bringing with them memories of many happy times. For seniors, these years have been a time to learn and grow, a time to experience life, and a time to meet new friends. Hopefully, the experience and wisdom gained will prepare us to meet each new challenge that tomorrow may bring.

This very special time is nearly over for us. Upon graduation, many friends will go their separate ways, perhaps never to cross paths again. No matter what our future years may bring, the class of 1975 will aways look back upon their high school years as the carefree days of youth, never to be captured again, but treasured forever in memory's golden hues.

Bob Peace "takes life a little easier."

Varsity Cheerleaders

With a brand new year ahead, the new coaches and newly elected cheerleaders at Fohi, were left with the responsibility of spreading a new "winning attitude" among the Fohi ASB as well as the community of Fontana. Before this season, the opponents were always the team who made the noise, but with the hard work and high spirit of the Varsity Squads, the spirited voices of the Fontana fans helped to lead our successful Steeler football and basketball teams into the CIF playoffs. The Steeler fans surely left a loud and lasting impression on spectators and opposing teams throughout the Citrus Belt League.

Pep rallies, making posters, and selling pep ribbons were only a portion of the Pep Squad activities this year. This season's football players were presented with weekly "Good Luck" letters, plus an ice cream social the night before the Homecoming game against Chaffey. The Pep Squad also sponsored a faculty mini-bike race during Homecoming Week.

The Varsity Squad at Fohi had two valuable additions to their squad this year. The election of Yell Leaders added the spirited voices of Armando Duran and Danny Garcia to the Varsity Squads.

Songleaders

Our Songleaders did their best in their part to promote school spirit. The squad this year consists of Sandy Miller as head, Laura Sierra, Jeanne Fedorka, Debbie Rose, Kim Moore and Angela Turner.

To earn money to pay for their uniforms the Songleaders worked at Grants a few hours a day wrapping presents at Christmas time, held a car wash, and sold pictured note cards.

Songleaders attend all football and basketball games throughout the year. In the future they hope that the squads ahead of them will take as much pride in supporting our Fohi Spirit.

J.V. Cheerleaders

This year the Junior Varsity Cheerleaders did a great job of raising spirit at Fohi. Although there was not a J.V. football team, the Varsity Squads voted to let them cheer at some of their games. Everything else went well for the squad, including their quite successful basketball season.

Orchestra

Fontana has long been proud of its school music program. The Fohi Orchestra is the culmination of years of individual work and progress. Under the patient and devoted direction of Mr. Don Eitelman student musicians have the opportunity to play the whole spectrum of music from baroque to contemporary.

In addition to the concerts they give, perhaps the hardest task of facing the orchestra is the annual operetta. For this the Orchestra combines with the drama and vocal departments, and each year they receive wide acclaim for a job well done.

Fohi Forum Staff

The Fohi Forum newspaper, published bi-monthly, has enjoyed one of its most successful years ever. The staff members, many of whom were amateurs at the beginning of the year, developed into real pros by the year's end. Under the direction of Editor Kim Bosley and Assistant Editor Fay Impastato, the Forum staffers put in many long hours of hard work in order to bring the school a paper filled with action-packed news, entertaining features, colorful editorials, and up-to-date sports coverage. Writers were at their very best this year, covering in-depth such topics as the Bastianelli/Fohi lawsuit scandal, abortion, rape, and crime, as well as provacative reviews on current books and movies.

The school's literary magazine *Scribbles,* was edited by Staff members Debbie Huff and Kim Bosley. Serving as typists were Fay Impastato and Angela Patrone.

The Fohi Forum Club, open to staff members only, was busy with bake sales, a rummage sale, a car wash, selling stationery, plus a "Favorite Teacher Contest." Officers were Fay Impastato as president, Cindy Keeling as vice president, and Virginia Bueno as Secretary/treasurer. Club members concluded the year with a banquet, with awards being given to the hardest workers.

All in all, it was a busy year for the Forum. Working together as closely as they did, they shared many ups and downs, but mostly the Fohi Forum family will always remember their happy days in Math 9.

Editor Kim Bosley along with Mary Gill and Mrs. Nancy Timilione look over a calendar of up-coming events.

Angela Patrone looks to see if the person she must interview came in.
